NOT FOR RELEASE, PUBLICATION OR DISTRIBUTION, DIRECTLY OR INDIRECTLY, IN OR INTO THE UNITED STATES, CANADA, JAPAN OR ANY JURISDICTION IN WHICH IT WOULD BE UNLAWFUL TO DO SO

NEPI is pleased to announce that it has closed its book build announced earlier today, 24 November 2014. In light of strong demand, the amount of capital to be raised was increased to ZAR2.1 billion (approximately €150 million). At this level, the book was significantly oversubscribed. The new NEPI shares to be issued to investors on the JSE (South African) share register have been priced at ZAR106.00 per share and on the AIM (UK) share register at EUR7.75 per share. Each of the JSE issue price of ZAR106.00 per share and the AIM issue price of EUR7.75 per share represents a 3.0% discount and a 4.7% discount respectively to the relevant 30-day volume weighted average prices, and a 3.9% discount and a 3.1% discount respectively to the relevant previous closing prices as at Friday, 21 November 2014.

A total of 15,477,962 new NEPI shares on the JSE, and 3,869,491 new NEPI shares on AIM, are expected to be issued and admitted to listing on the JSE and trading on the AIM on Monday, 1 December 2014 ("Admission"). As the total number of NEPI shares to be issued in terms of the book build is in excess of 5% of the number of NEPI shares in issue prior to the book build, in terms of the JSE Listings Requirements, a further announcement will be made setting out the pro forma financial effects of the book build.

Macquarie First South Capital Proprietary Limited and Java Capital are acting as joint bookrunners and lead managers.

The new shares, when issued, will be credited as fully paid and will rank *pari passu* in all respects with the existing issued shares.

Following Admission, the total issued share capital of the Company will increase to 278,138,240 ordinary shares with voting rights. Therefore, the total number of voting rights in NEPI will be 278,138,240 with effect from Monday, 1 December 2014, which may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in, or a change to their interest in, NEPI under the UK Financial Conduct Authority's Disclosure and Transparency Rules.

The equity raising is not an offer to the public as contemplated under the South African Companies Act, No.71 of 2008 as amended ("Companies Act"), nor an offer of securities in any other jurisdiction. Potential investors on the JSE register are only permitted to apply for shares with a minimum total acquisition cost, per single addressee acting as principal, of greater than or equal to ZAR1,000,000, unless the potential investor is a person, acting as principal, whose ordinary business, or part of whose ordinary business, is to deal in securities, whether as principal or agent (in reliance on Section 96(1)(a)(i) and 96(1)(b) of the Companies Act) or such applicant falls within one of the other specified categories of persons listed in section 96(1) of the Companies Act. Participation on AIM will only be available to persons who are qualified investors within the meaning of Section 86(7) of the Financial Services and Markets Act 2000 ("Relevant Persons") (other than South African eligible investors) or who may lawfully be, and are, invited to participate by the Joint Bookrunners.

Settlement of shares on the JSE register will take place within the system administered by STRATE and settlement of shares on the AIM register will take place within the CREST system.
