NOTICE TO NEPI SHAREHOLDERS IN RESPECT OF AN ELECTION TO RECEIVE EITHER A CASH DIVIDEND OR A RETURN OF CAPITAL

CASH DIVIDEND OR RETURN OF CAPITAL

As announced on 12 August 2015, shareholders are advised that the board of directors ("the board") of the company has declared an interim distribution of 18.17 Euro cents per share in respect of the six months ended 30 June 2015 and that the board has resolved to offer shareholders the election to receive a return of capital by way of an issue of 1.92 new NEPI shares for every 100 NEPI shares held on the relevant record date, being Friday, 18 September 2015 ("return of capital"), at an issue price of €9.46 per share, or a cash dividend of 18.17 Euro cents per share ("cash dividend"). A cash dividend will be paid to shareholders unless a shareholder elects to receive a return of capital.

The rationale for the return of capital is to afford shareholders the opportunity to increase their shareholding in NEPI and to retain flexibility with regard to the company's cash resources.

The cash dividend will be paid out of the company's distributable profits. The new NEPI shares to be issued pursuant to the return of capital will be funded by way of a reduction of capital.

As at the date of this announcement, the company has 282 423 985 ordinary shares of €0.01 each in issue.

A circular to NEPI shareholders in respect of the election being offered to NEPI shareholders to receive either the cash dividend or the return of capital, together with an election form, will be posted to shareholders today, 28 August 2015 and will also be available from today on the company's website at www.nepinvest.com.

TAX IMPLICATIONS

SA resident shareholders

The receipt of the cash dividend or election to receive the return of capital may have tax implications for shareholders.

For those South African resident shareholders receiving the cash dividend, such amount will be regarded as a foreign dividend and may be subject to South African dividends tax at a rate of 15%, unless an exemption as set out in the South African Income Tax legislation applies.

The receipt of new NEPI shares by South African resident shareholders should not be classified as a dividend or a foreign dividend for South African tax purposes and accordingly South African dividends tax should not be levied on the new NEPI shares. However, the legislation in this regard is complex and its implementation is currently uncertain. Accordingly, shareholders should seek independent professional tax advice.

NEPI shareholders are advised to consult their professional advisors regarding the tax consequences of the cash dividend and the return of capital or should they be in any doubt as to the appropriate action to take.

In terms of the JSE Listings Requirements regarding dividends tax in South Africa, the following additional information is disclosed:

- As the company is not a South African registered company, it does not have any STC credits available to set-off against the dividends withholding tax liability on the cash dividend.
- There is no withholding tax payable in the Isle of Man.

Shareholders residing outside South Africa

The receipt of the cash dividend or electing to receive the return of capital may have tax implications for shareholders who are resident in the United Kingdom, Romania or other countries and such shareholders are advised to obtain appropriate advice from their professional advisors in this regard.
