UPDATE ON MERGER OF NEPI AND ROCKCASTLE AND REVISED SWAP RATIO

In a joint announcement released on the Stock Exchange News Service ("SENS") of the JSE Limited (the "JSE") and the websites of the Bucharest Stock Exchange (the "BVB") and the Stock Exchange of Mauritius Ltd (the "SEM") on 14 December 2016, NEPI and Rockcastle announced their proposed merger on the basis of a share swap ratio of one NEPI share for every 4.5 Rockcastle shares.

Since the announcement of the proposed merger, the parties have continued to work together openly to evaluate the businesses, prospects and strategies of NEPI and Rockcastle. In so doing, both parties have refined their vision for a post-merger NEPI Rockcastle, which will be well-positioned in the increasingly competitive Central and Eastern European region to achieve sustainable growth over the next several years.

In their evaluation of all aspects of the proposed merger, the parties have come to a final consensus on a revised share swap ratio of one NEPI share for every 4.7 Rockcastle shares. On this basis, the boards and management of both companies will recommend the proposed merger for approval by their respective shareholders.

NEPI is listed on the JSE and the BVB. Rockcastle has its primary listings on the JSE and the SEM.
